REFERENCE LETTER

Dominik effectively helps us earn from affiliates by creating high-quality blog entries. We needed a good copywriter to prepare articles, thanks to which we would generate traffic and reach the first page of Google search results for long-tail SEO sales keywords. Dominic helped us a lot. **His articles attract over 20,000 readers every month** - an excellent result for our website.

Working with Dominik is a pleasure. We recommend this copywriter even for the most demanding tasks. He is best with articles on the SEO and SEM industries, affiliates, and digital marketing.

Dominik also created attractive and useful content for our clients on the Landing Page (One Page) and company pages with many subpages (Multi Page).
