REFERENCE LETTER

Dominik Bigosiński – who runs the company b4content – has been working with MBridge as a freelance copywriter since 2021 and carries out various projects for us and our clients. He performs the tasks we entrust him with full conscientiousness and great commitment.

The content created by Dominik has a very clear structure and correctly added internal links. He's a creator who knows how to write to educate and engage his audience. He effectively persuades people to take up his offer by persuasively explaining complex issues in simple terms.

Dominik's extensive knowledge and ability to ensures that the texts prepared by him are correct in terms of content, language and style.

Dominik is an organised and very punctual copywriter who quickly and efficiently completes projects entrusted to him. He is open to suggestions and uses the feedback he receives, which is his extremely valuable quality.

It's a pleasure to work with Dominik and we highly recommend using his experience.
